League Update-During the Board meeting one change was made. If someone wants to shoot leagues and is physically unable to shoot all arrows for the week in one night it may be spread out throughout the week as needed by the individual as long as each segment is signed by the lane captain and completed within the required week.

Needed – Individual willing to work solely with the scouts one night a week.

Needed- A Couple or individual interested in being the lane captain for Couples Night each Friday for 5 weeks only.
Call Lance 435-237-7493.

Notice: Anyone interested in reducing the cost of membership can volunteer time in any of the projects throughout the year. It is vital to the club that everyone chooses a minimum of one event to ensure the club will continue to function.

For your convenience you can shoot your score any night of the week from 6-9 pm (except Wednesdays Kids Leagues) and on Sunday from 11-2. It doesn't get much better than this! If this doesn't fit into your schedule contact any Board Member and we will make sure to give you the chance to shoot when it WILL work for you. We aim to please.
